

At last, Sam and Danny got a game going. They made a point of getting David on their side. He said he didn't care, but he still played for them.

The game was fast and there was a lot of pushing. Aslam got hurt and walked off.

Foz told David it was all his fault. Then David lost his temper.

"You're a rubbish player!" he yelled at Foz, "and you look stupid min your stupid long shirts." He got very red in the face.

"At least I got picked!" said Foz.

This was too much for David. He hit Foz and they started to fight.
