Click on the 'index.html' file in each folder. The file will open in your browser – you do not have to be connected to the Internet. You need to have access to the complete folder to run the index.html file.

Whiteboard files: We have included various forms of whiteboard files, so these resources may be used whether you have a SMART board or Promethean system.

There are three files:

- PSP graphemes with sounds
- PSP images and graphemes with sounds
- PSP images with sounds

Don't have SMART Notebook or Promethean Learning? You can download Promethean ActivInspire for FREE and use the Promethean flipchart versions of the files.

Resources R1–R18 can be printed out from the teacher book file on the CD-ROM.

Note

If you would like to use the resources on a device that does not have a CD drive, please email info@brilliantpublications.co.uk, telling us when and from whom you purchased your copy. We will then email you a password and instructions for downloading the files from the Internet.
