

# Dying plants

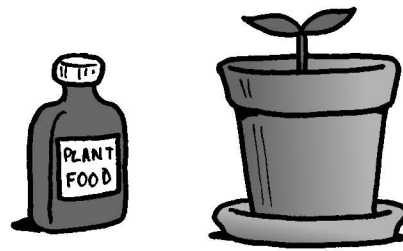

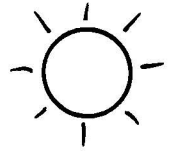

## What to do

Here are some plants.

- 1. Water  
No plant food  
Sunlight

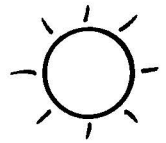

- 2. No water  
Plant food  
Sunlight

- 3. Water  
Plant food  
Grown in the dark

- 4. Water  
Plant food  
Sunlight

Which do you think will grow the best? **1 2 3 4** (Circle the correct one)

Why will the rest not grow so well? .....

.....  
You could investigate this.

## Think and do

A plant will not grow on the moon's surface because

.....  
.....
