

Planet adventure

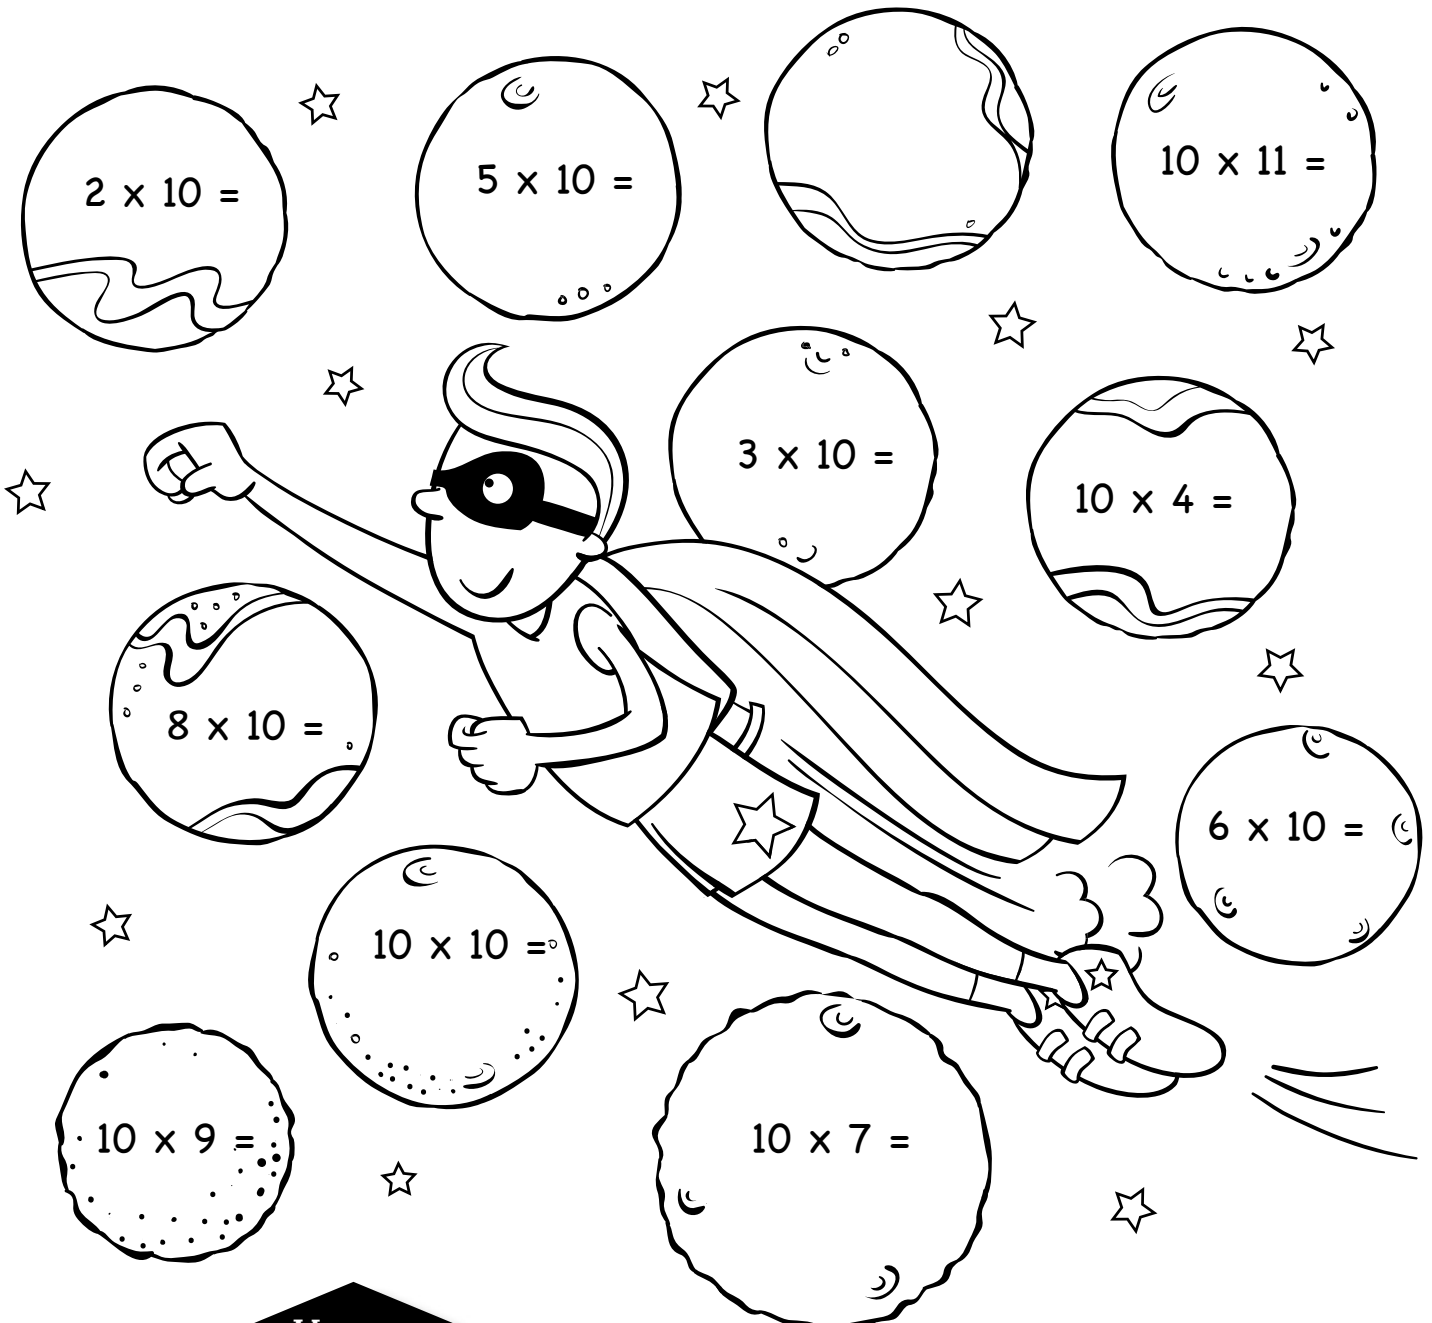

20:00

10x

How did you do?

Each planet has a question on it. Answer the questions then help *Mighty Jet Pack Jim* jump around the answers in order, joining them up from the lowest number to the highest.

Home Challenge

Jump down the stairs counting in 10s. How high can you count?

Mighty Challenge

Can you add a question to the blank planet with an answer that is 120?
