

# Meet the mighty sporty superheroes!

In this book you will meet three mighty sporty superheroes (and some of their friends):

**Mighty Supersonic Sinitta**  
The 2x table champion

**Mighty Justice John**  
The 5x Table Champion

**Mighty Jet Pack Jim**  
The 10x Table Champion!

These mighty sporty superheroes are taking part in the **Trans-galaxy Superhero Games!** Their mission is to practise their times tables along the way, demonstrating mighty skills in multiplying, dividing, and solving word problems!

There is, however, one problem! A super villain named **Dennis the Demon Digit Demolisher** and his pet, **Lorraine the Loathsome Dragon**, have an evil plan to make a world without numbers!

Can you help the mighty superheroes work their way through each event and stop super villain **Dennis the Demon Digit Demolisher** from sabotaging the events?

You will have to be mighty clever, mighty quick and mighty resourceful!

*Good luck!*
