

# Masks and cloaks

10:00 12x

How did you do?

Dennis the Demon Digit Demolisher has mixed up all the competitors' cloaks and masks! Can you match them back up by dividing the numbers on the cloaks by 12 and drawing a line to the matching masks?

## Home Challenge

Can you say the 12x table whilst hula hooping?

## Mighty Challenge

Can you divide 288 by 12? Did anything help you to do this?
