

# Throwing practice

15:00 9x

How did you do?

*Mighty Twirling Tornado Tony* is practising his throwing. *Dennis the Demon Digit Demolisher* has used his super villain powers to make the shot puts go off in strange directions. Work out the distance *Mighty Twirling Tornado Tony* manages to throw each time by multiplying the distance in metres by 9.

## Home Challenge

Challenge an adult to say their 9x table whilst twirling around. Can you say it faster?

## Mighty Challenge

Can you work out what score someone would get if they threw the shot put 22m?
