Disasters Around the World

Analysis,
Synthesis, Evaluation

TASK 1: Many natural disasters are made worse by human activity.

Give an example for each one of these:

Disaster	Human Activity
Floods	
Forest fires	
Landslides	
Famine	
Earthquakes	

TASK 2: Illustrate two recent people-made disasters.

Brainstorm ways the disaster could have been avoided or the damage reduced.

1:	2:
Ways to Avoid Disaster 1	Ways to Avoid Disaster 2
_____	_____
_____	_____
_____	_____
_____	_____
